

Home Access Center at Channelview ISD

In order to log into the Home Access Center (HAC) you can use any computer with access to the Internet. You must use Internet Explorer, version 5.5 or higher. Once you have opened Internet Explorer you can go to the Channelview ISD Website or type in the following URL:

<https://hac.channelview.isd.esc4.net/homeaccess>

You must have the 's' on the http since this is a secure site. When you get the login page you can add it to your favorites if you are on your home computer.

The screenshot shows a Windows Internet Explorer browser window displaying the Home Access Center Login page. The browser's address bar shows the URL <https://hac.channelview.isd.esc4.net/homeaccess/default.aspx>. The page features the SUNGARD PUBLIC SECTOR logo in the top left corner and the title "Home Access Center Login" in large red text. Below the title, there is a login form with two input fields: "Username: *" and "Password: *", each followed by a text box. A "Log In" button is positioned below the password field. To the right of the form, there are two lines of text: "Welcome to the Home Access Center. To begin, please enter your **username** and **password**." and "Welcome to Home Access Center! Please enter your login name and password." The browser's status bar at the bottom indicates "Done" and "Internet" with a 100% zoom level.

Home Access Center at Channelview ISD (continued)

You need to type in your user name and the password that you were given when you signed up for HAC access. You should see your students listed on the front page. If you only have one or all your students are not linked you will go straight to the Daily Summary Page. Contact your campus with any questions or issues about the students you are seeing. If you wish to email your student's teachers you can click on the teacher's name as long as it is underlined, your default email system will open, and you can send them an email directly with your questions or concerns.

To change your password log into Home Access Center, click on My Profile and follow the screen instructions. You must know your old password to change your password. Passwords and logins are not case sensitive. Passwords must be 8 characters long.
